Next Sunday is the time of our big celebration. We want to dedicate our new building to the God to whom it truly belongs. When we planned the construction of the building, we looked forward to the time when all that would be left was to celebrate. We have finally reached that wonderful time of celebration and dedication to God.

Next weekend we will have only ONE service - starting at 10:30AM Sunday - **there will be NO Connect Groups meeting on Saturday or Sunday.** Please make every effort to attend this special time as we don't anticipate that we will be able to meet together in only one service again.

Here is how it will work: We will have a choir made up of our children, youth, adult, and senior adult choirs. The adults will remain in our 100 seat choir loft. The children and youth choirs will leave after their time of singing to go to the over-flow room - or their normal places during worship.

We do know parking will be tight and are hopeful families will come in only one car :) for this special occasion. We have invited our state and local civil authorities - and want to follow the words of Christ as we pray for these leaders - in hopes that we will be able to lead a quiet and peaceable life, and to evangelize our community and our world with the truth of the gospel.

God has brought us so far and has blessed us so immensely. Let us have a special service of praise that will honor and glorify Him.

"Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen" (Eph 3: 20-21).
