## Aquarium & Insectarium

Thursday, April 18, 2024

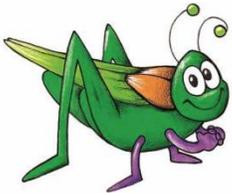

Join us as we travel to New Orleans to visit the newly opened “Reimagined & State-of-the-Art” **Audubon Aquarium and Insectarium**.

Voted as one of the top five in the county in a USA Today poll, the Aquarium transports visitors to an underwater world from the Caribbean and the Amazon Rainforest to the waters we call home in Louisiana. With more than 3,600 animals, the Aquarium offers a unique experience.

But there is much more, you will also be able to experience the Insectarium. Utilizing all five senses, you will enjoy thousands of insects from throughout the world. You will be amazed at the beauty of the moth collection as well as the beautiful butterfly and flower garden overlooking the Mississippi River. You may even have one of the butterflies hitch a ride on your shoulder.

That satisfies four of the five senses, but you may ask, what about the sense of taste? You will have the opportunity to experience that at the “Bug Appetite” where you can experience the taste of certain edible insects. I simply cannot imagine how a spider gumbo would taste!!!

**LUNCH** will be on your own at one of the onsite eateries.

**On Thursday, April 18, our chartered coach will depart the church parking lot near the West Entrance at 8:30 AM and it will return at approximately 4PM**

**COST: \$70**
