Dear Friends:

First Baptist Church Covington is proud to announce:

Yes, We Can! Family Festival and Expo

Saturday, April 9, 2022

10:00 a.m. – 2:00 p.m. (with set-up from 8:00 a.m.-9:00 a.m.)

First Baptist Church Covington, LA

Our mission for this event is to provide a free fun-filled day for families with special needs individuals where every member of the family can participate and experience joy of doing things together. Our second goal is to provide resource information about products/services in this greater area which may be available to our families.

The Expo draws families from St. Tammany, Washington, Tangipahoa, Livingston, Orleans, and Baton Rouge parishes, as well as, neighboring communities in Mississippi. Our past *Yes, We Can* Festivals have been very successful, and we estimate we have a minimum of 700 people in attendance each year.

We invite you to join us **April 9, 2022** to provide information regarding your products and services. Tables are available for brochures and literature, but our goal is to enable our families to speak on an individual basis to you, so they can learn first-hand what is available to them in the community. We would love to have some new faces join us, as well as those of you who faithfully continue to participate. Our goal is to provide as much information to our community as possible, so more families can benefit from all the wonderful resources we have available in our community.

Please register by **March 18, 2022:**

*on-line at www.fbccov.org (see Events)

*complete the enclosed registration form and return the form with your deposit to:
